Dear Rob and Roberta,

After meeting with an Okeechobee County Code enforcement officer on you and Rob's behalf, I was informed that there have been no code enforcement complaints whatsoever on your property. Had there been any complaints called in or phone calls gone out on their end there would be a case number attached to it. Your property has no case number from Code Enforcement. Thus, the Indian Hammock Manager Bob Baum's claim that he received a call from Code enforcement regarding your property is a lie.

Sincerely,

Ashley Zito
